Does bathroom cabinetry need a vanity?

Bathroom cabinetry can come in the shape of a vanity with endless storage options or a standalone piece for added space. Check out some of our favorite bathroom cabinet ideas that work well with any style bathroom. Even if you require a lot of storage space in your bathroom, a cabinet doesn't have to be bulky or oversized.

Do you need a custom cabinet for your bathroom?

If you have an extra storage nook or a small linen closet in your bathroom, consider swapping it for an exposed cabinet to give your bathroom more visual interest and add storage space. Though you may need a custom cabinet to fit your space perfectly, the end result is well worth it.

How to choose a bathroom cabinet?

Look for a natural oak or walnut finish with enough drawers for everything you need. This neutral look is perfect for minimalist or farmhouse bathrooms. If your bathroom cabinet doesn't have quite enough storage or your bathroom lacks a linen closet, don't be afraid to use the space below the vanity for extra storage as well.
