How to place a wardrobe in a bedroom?

Ensure that the bedroom doors open towards the north. According to Vastu principles, placing the wardrobe in any other direction might result in significant financial loss. When positioning your wardrobe, according to Vastu Shastra, it is important to leave a minimum gap of 3 inches between the wardrobe and the wall.

Where should a wardrobe be placed?

In general, the wardrobe shall be placed at a corner by the wall. This is a better arrangement which will minimize the impact on normal life. If it is placed by a window or door, the natural light will be kept out and the bedroom will be dark.

Which direction should wardrobe doors open?

Regarding wardrobe position, as per Vastu, wardrobe doors should ideally open towards the east and not towards the south, as the southern direction may lead to conflicts and disturbances among family members. According to Vastu Shastra, using light colour shades for both the wardrobe and the bedroom walls is advisable.

What direction should a locker be placed in a room?

If there's a lack of space in the room, place the locker with its back in the east direction. The locker direction according to Vastu should not be the southwest, southeast or northeast at all costs to reduce financial losses and needless expenditure. Also, make sure that it isn't placed in the corners.

Which direction should a wardrobe be placed in a bedroom?

With so many sources citing different information, it can be hard to know what to follow when it comes to your wardrobe direction as per vastu.
