

Can't the State Grid use WeChat

Is the government trying to degrade WeChat?

Similarly misguided are the government's attempts to degrade the functionality of the WeChat application by prohibiting U.S.-based companies from providing hosting, CDNs, peering, and other network services to WeChat that make it usable within the United States.

How did the Commerce Department stop WeChat?

In order to stop U.S. users from using WeChat, the Commerce Department ordered American app stores, such as Apple's and Google's, not to host the application or to offer security updates to existing users.

Does WeChat have a privacy policy?

When confronted about misuse of personal data, WeChat usually cites its privacy policy, which states that, in some cases, it may need to "retain, disclose, and use" user information per government requests. Jiayun (Jenny) Feng is the Society and Culture Editor at The China Project.

Who is prohibited from using WeChat?

The prohibitions only apply to business-to-business transactions and are targeted at persons who are engaged in business with Tencent. While the prohibitions are phrased in terms of activities, they implicitly define the types of businesses that are prohibited from providing services to WeChat.

Are WeChat and Weixin regulated in China?

"WeChat's servers are outside of China and not subject to Chinese law, while Weixin's servers are in China and subject to Chinese law," the statement said. The Verge also reported in 2019 that WeChat banned Chinese Americans from discussing the pro-democracy candidate victories in Hong Kong.

Is the Obama administration trying to eradicate WeChat?

In its rush to eradicate WeChat from U.S. shores, we explain, the administration has taken an extraordinary step that weakens user security, intentionally dismembers infrastructure that keeps the Internet running, and emulates the very authoritarian tactics the U.S. government claims to deplore.
