

Flexible photovoltaic panel warranty period

Do flexible solar panels have a warranty?

Flexible solar panels companies don't wish to take the risk of offering a warranty for flexible solar panels. In contrast, manufacturers offer a whopping 25-year warranty on rigid solar panels. For flexible solar panels, the warranty period tends to range between 15 and 20 years.

How long does a solar panel warranty last?

A 25-year performance warranty is the industry standard for top-tier solar panel manufacturers. Material warranties can be shorter, and while 10 years is fairly typical, that number can vary by manufacturer. Here is a breakdown of the warranties provided by four of the top solar manufacturers: What Can Void A Solar Panel Warranty?

What makes a good solar panel performance warranty?

An ideal solar panel performance warranty should include the following conditions: Certain solar manufacturers may even guarantee a degradation rate as low as 0.25% per year, coupled with a performance warranty period of up to 30 years.

What is the warranty start date of solar modules?

The warranty start date of the Solar Modules stipulated under this Limited Warranty for Solar Modules (hereinafter referred to as "Limited Warranty") is the date of delivery to the Initial Customer or 6 months after the modules are shipped out of the production plant, whichever is earlier (hereinafter referred to "Warranty Start Date").

How do I get a solar panel warranty?

Generally, the most robust warranties are obtained by hiring installation companies certified by the solar brands they represent. Alternatively, long warranties can also be secured from solar manufacturers that provide their own installation services. What Is Not Covered by a Solar Panel Warranty?

How long do flexible solar panels last?

The working period of these flexible panels is much shorter than that of their rigid counterparts. The rigid solar panels can provide outstanding service of at least 25 to 40 years. Unfortunately, flexible solar panels can only function for 15 to 25 years at their best.
