

How many years is the warranty for GCL photovoltaic panels

Does GCL have a warranty for their solar panels?

GCL solar panels come with a product warranty of 12 years and a linear performance warranty of 25 years and 30 years for some models. Their warranty meets and surpasses the industry standard, making these panels a reliable choice.

Does GCL offer a warranty?

GCL offers 25 years performance warranty with a guaranteed output of 83.1% for monofacial modules and a guaranteed output of 83.0% after 30 years for bifacial modules. While the terms of the warranty meet expectations, it looks to be a nightmare of a process to be able to claim warranty.

What are GCL solar panels?

GCL is a company that formed the GCL System Integration Technology Co. to facilitate their manufacturing of solar panels. They have been supplying solar panels in Australia for over two years and aim at dominating the Australian Solar market. GCL solar panels are the focus of this discussion.

Are GCL solar panels good quality?

GCL solar panels show some promise of being good quality (particularly the Saturn and Gemini series) through their ranking as a top performer by PV Evolution Labs independent testing. Unfortunately at this stage their offering in Australia (if it is currently available) lacks good customer support.

How many GCL solar panels are there in Australia?

Currently, 39 GCL solar panels are approved by the Clean Energy Council (listed under the name of GCL System Integration Technology Co Ltd) for the Small-scale Renewable Energy Scheme - Australia's home solar rebate program. The GCL-M8/60H has 120 half cut monocrystalline solar cells and is one of GCL's best performing solar panels.

How many GCL panels do I Need?

Under optimal conditions, each GCL panel exhibits a peak performance of 305W with a module efficiency of 18.7%. You will need approximately 24 panels for a 6.6kW GCL Poly series.

Under typical UK conditions, 1m² of PV panel will produce around 100kWh electricity per year, so it would take around 2.5 years to "pay back" the energy cost of the panel. PV panels have an expected life of least 25 to 30 years, so ...

Solar panel warranties vary depending on the manufacturer, but in the solar industry, a 10-year product warranty and a 25-year performance warranty are typically considered the minimum standard. However, some ...

How many years is the warranty for GCL photovoltaic panels

GCL 330w Poly Solar Panel - GCL-P6/72-330: ... Warranty: 10 Year Limited Product Warranty: GCL Warranty: Warranty . Terms & Conditions : Shipping: Shipping Policy: Returns: Returns Policy: Payments: We accept: Visa, ...

The company must have been active in the photovoltaic industry for at least 5 years. 5. Financial soundness: ... Reputation. Factors such as warranty offered, customer service and global ...

This solar panel combines high efficiency mono PERC cells with Half-Cell and 9-BusBar technologies to improve the electrical performance and power output of your solar array system. Generate renewable energy, reduce ...
