

How to install insurance on photovoltaic panels

Do you need solar insurance before installing solar panels?

Installing solar panels is one of the easiest ways to start saving some serious cash on your electricity bills. But, before installing them, it is essential to find out how solar insurance works. After all, you want to be sure that both your home and your solar panel system are properly covered before the solar panels are drilled onto your roof!

Are solar panels covered by insurance?

However, it's important to communicate with your insurance company to check for exclusions or perils that may not be covered. Solar panels generally come with a warranty, and qualified solar panel installers will likely warranty their work. Do solar panels often get damaged?

How can I insure my solar panel system?

To insure your solar panel system, you can add endorsements or riders to your existing homeowners insurance policy. Endorsements modify the policy terms to specifically include coverage for your solar panel system.

Does home insurance cover rooftop solar panels?

Yes, most home insurance policies do cover rooftop solar panels. By installing solar panels you are enabling your house to produce its own electricity. These rooftop solar panels are usually considered a permanent attachment to your property, similar to a patio or a security system and can, therefore, be considered a form of home improvement.

Will solar panels increase my home insurance?

Many insurance providers offer discounts on home insurance costs if you make the house more eco-friendly. Adding solar panels to power your home definitely fits the bill. The only way to know if the price of your homeowner's insurance will increase due to the solar panels is to speak with your insurance agent.

Are solar panels covered under a homeowner's policy?

This means that as long as you own your solar panels and they are rooftop-mounted (additional policies may be required for ground-mounted systems), the system will be included under a homeowner's policy and covered in standard plans without raising your premium.
