

# JA Solar PV Panel Code

What is included in the JA Solar Module installation manual?

Thank you for choosing JA SOALR Modules! This Installation Manual contains essential information for electrical and mechanical installation that you should know before handling, installing JA Solar Modules. This Manual also contains safety information you need to be familiar with.

Can JA Solar make changes to the product specifications or installation manual?

JA Solar reserves the right to make changes to the product, specifications or installation manual without prior notice. Failure to comply with the requirements listed in this manual will invalidate the Limited Warranty for Modules as provided by JA Solar at the same time of sale to the direct customer.

Can JA Solar modules be installed on a roof?

JA solar modules have been listed as Class A according to IEC 61730-2 standard. For roof installations, modules should be mounted over a fire resistant covering suitable for this application, with adequate ventilation between the modules backsheet and the mounting surface. Roof constructions and installations may affect the fire safety of building.

Who is JA Solar?

JA SOLAR HOLDINGS CO., LTD. Shanghai JA Solar Technology Co., Ltd. (hereafter referred to as "JA Solar"). Installers should follow all safety precautions described in this guide as well as local codes when installing a Module. Installing solar photovoltaic systems requires specialized skills and knowledge.

What are JA Solar modules?

JA Solar Modules are designed to meet the requirements of IEC 61215:2016 and IEC 61730:2016, application class A. Modules rated for use in this application class may be used in system operating at greater than 50V DC or 240W, where general contact access is anticipated.

How do I install JA Solar modules?

JA solar recommends installing the Modules with a tilt angle of at least 10 degrees, making it easier for dust to be washed off by rain. Ensure the installation method and supporting system of Modules is strong enough to make the modules can withstand all the load conditions. The Installer must provide this guarantee.

TN Solar Solar Panel Series JA Solar 440w. Detailed profile including pictures, certification details and manufacturer PDF ... TN Solar is an enterprise specialized in the integrated photovoltaic ...

The JA Solar JAM54D41-435/LB is a 435W all-black solar panel from the Deep Blue 4.0 Series. This N-type bifacial double glass mono module has excellent efficiency and temperature coefficient. Panels in this range are protected by a ...

## JA Solar PV Panel Code

Catalogue Code: 436579299 MPN : 54D41-440/LB 440W 100+ Available to dispatch immediately The JA Solar JAM54D41-440/LB is a 440W premium cell solar panel with an all black design. This n-type Double Glass Bifacial Module ...
