

JA Solar Panel After-Sales Service

Is JA Solar a good solar panel company?

In terms of solar panel options, JA Solar has a number of variations for the customer to choose from. With the ability to get different power outputs, solar cell counts, and solar cells types, JA Solar offers a great level of flexibility that earns them a spot as a top solar panel on our reviews.

Who is JA Solar?

JA Solar has successfully developed a distributed PV power system for Libai Group, a leading player in China's daily chemical industry, to help decarbonize its factories. The first phase of the project JA Solar Awarded with Ten "2024 Top Brand PV" Honor... Leading Solar PV Panel Manufacture now in India.

How much does JA Solar cost?

The price per watt is somewhere between \$0.55-\$0.65. You could say that JA Solar prices match the ones of Trina Solar, slightly cheaper than Canadian Solar, but a bit more expensive than LONGi Solar. Lower LCOE (levelized cost of electricity) is mentioned in the description of every JA Solar panel.

What are JA Solar panels?

They can be standard monofacial panels, or more rare bifacial modules. The latter are great for utility-scale installations giving 30-35% more production for the same space. The efficiency of JA Solar panels usually hovers between 20% and 21%, which is above average on the market.

How reliable is JA Solar?

Since 2017, JA Solar has consistently scored in the 'Top performer' category of the DNV GL/PVEL PV Module Reliability Scorecard report. DNV GL is a leading authority of independent energy experts, and PVEL conducts independent PV testing. This annual report identifies 20 high-performing solar panel manufacturers.

Does JA Solar have a warranty?

Warranty Coverage (20%): Warranty coverage is closely linked to panel durability and performance over time, so it affects your energy savings and your long-term cost of converting to solar if you have to replace them sooner than you would with other brands. JA Solar comes with an above-average performance warranty term of 25 to 30 years.
