Where can I find information about the solar auction?

Information on the next steps concerning the auction for first-segment solar installations that ended on 1 December 2023 is available on the Bundesnetzagentur's website at [www.bundesnetzagentur.de](#). The updated bidding round statistics will be published shortly.

What is the US large-scale solar photovoltaic database?

The U.S. Large-Scale Solar Photovoltaic Database provides the locations and array boundaries of U.S. ground-mounted photovoltaic facilities, with capacity of 1 megawatt or more.

What is PV moduletech USA?

PV ModuleTech USA, on 21-22 May 2024, will be our third PV ModuleTech conference dedicated to the U.S. utility scale solar sector. The event will gather the key stakeholders from solar developers, solar asset owners and investors, PV manufacturing, policy-making and all interested downstream channels and third-party entities.

Are solar photovoltaic map services free?

Map services and data downloaded from the U.S. Large-Scale Solar Photovoltaic Database are free and in the public domain.

Are competitive auctions the new normal for renewables?

IEA. Licence: CC BY 4.0 Have the prices from competitive auctions become the "new normal" prices for renewables? Prices are nominal; higher values for onshore wind in 2017-18 result from the United Kingdom's contracts for difference (CfD) auction, and in 2021 are associated with a delayed project from the Jordanian auction held in 2014.

Germany's first auction of the year for utility-scale solar concluded with prices ranging from EUR0.0529 (\$0.059)/kWh to EUR0.0730/kWh. The procurement exercise was significantly oversubscribed.

A new kind of solar cell is coming: is it the future of green energy? ... of the notoriously competitive PV market. Broken records. ... improvements have cut the cost of a solar panel by about 90% ...

Phnom Penh, Cambodia - The Cambodian government has announced a historic investment plan in solar energy projects worth over 210 billion baht by 2043. This is part of its Power Development Masterplan (PDP) to transition the country ...
