

List of new energy storage scam companies

Are energy firms a scam?

But with energy prices rising, and a slew of government initiatives and advice from firms, it's easy to get confused. Scammers can be very convincing and, to make matters worse, we've found that energy firms can send emails that occasionally look like scams.

Are energy scams a real thing?

Energy scams, like investment scams, are nothing new. But in January, one Which? member received an email merging the two. Titled 'Get more on your savings!', it claimed to be from SSE and offered a 'sustainability-linked bond' which would be invested in renewable energy.

Are energy scammers putting victims in danger?

As the cost-of-living crisis worsens, Which? has seen a significant increase in scammers impersonating energy firms to trick victims into handing over money or payment details. In some instances, victims could be put in serious physical danger by tactics that claim to save them money.

Do energy firms send emails that look like scams?

Scammers can be very convincing and, to make matters worse, we've found that energy firms can send emails that occasionally look like scams. Take our quiz to see if you can spot the difference, then read on to learn more about fraudsters' various tactics.

Is Samsung SDI a good energy storage company?

Samsung SDI is one of the leading solution providers of lithium-ion energy storage. It offers a complete energy storage system solution, including design, production, and installation, based on its advanced cell technology. The company also offers customized products optimized for the power grid and energy conditions in different countries.

Why is Panasonic a leading energy storage company?

Thanks to a wide and varied portfolio of solutions, Panasonic has positioned itself as one of the leaders in the energy storage vicinity. Panasonic is one of the industry's top names due to its advances in innovative battery technology alongside strategic partnerships and extensive experience in manufacturing high-quality products.
