

Longi photovoltaic roof panel price

Are LONGi Solar panels good value based?

Longi Solar offers value based solar panels that come with high efficiency standards, and above average 25 year performance output. In comparison to other value based panels, they come below the average price point with similar efficiency ratings. The same is true when Longi's modules are compared to mid-range panels.

How long does Longi cover solar panels?

As for the performance warranty, also known as the power output warranty, LONGi covers the panels for 25 years. At the end of 25 years, LONGi guarantees that the annual output of the solar panels will be at least 84.8% of their original solar energy output at the time of installation.

Which bifacial solar panels do Longi sell?

LONGi sells four primary solar panel models: Hi-MO 9, Hi-MO 7, Hi-MO X6, Hi-MO 5 and Hi-MO 5m. The Hi-MO 5m Series is the company's residential line. Bifacial solar panels are mostly used in commercial settings. The most efficient solar panels typically have an efficiency above 22%, but 19% is just fine for residential use.

Are LONGi Solar modules good?

Longi modules guarantee a minimum of 83.8% output at the 25 year benchmark, this figure out matches Trina Solar, which promises 80.7% output power at the 25 year benchmark. This figure also comes above the industry average of 82% output, but is beat by Panasonic at 90.76% output power. See Here: [Longi Solar Warranty](#)

Does LONGi Solar offer a warranty?

LONGi Solar offers a 12-year limited product warranty for workmanship and defects and a 25-year performance warranty. The product warranty does not cover normal wear and tear or changes caused by normal use of the system: the modules must be installed and used as they are designed to be.

What is Longi roof BIPV?

LONGi has a comprehensive product line of green building PV solutions and a complete supply process to provide professional service and full-life-cycle O&M capabilities. LONGi ROOF BIPV system integrates the PV power generation system with high-quality metal roofing system.

On average, Longi's solar panels start at \$0.55/watt, this price point is \$0.07/watt less on average than other low cost solar panel manufacturers such as Trina Solar. In comparison to mid-range panels such as Canadian ...
