Do online retailers need a brand authorization letter?

However, to steer clear of legal entanglements and foster trust among customers and brand proprietors, online retailers must secure the appropriate authorization. A brand authorization letter plays a pivotal role in this process, conferring the right to sell a brand's products on digital platforms.

Why do you need a brand authorization letter?

Market Expansion: For authorized entities such as retailers or distributors, having a brand authorization letter allows them to access and sell recognized and trusted brands. Selling branded products without proper authorization can lead to legal issues. Brand owners have the legal right to control the distribution and sale of their products.

What is a third party authorization letter?

The third-party/individual is the person to whom the authority is given. He is also called a proxy. It should be noted that an authorization letter is always written addressing the second party/person; however, the letter is handed over to the third party/person. The letter should be in business letter format.

What is an authorization letter?

He is also called a proxy. It should be noted that an authorization letter is always written addressing the second party/person; however, the letter is handed over to the third party/person. The letter should be in business letter format. It should mention the authorities and restrictions of authorities that are granted.

What should be included in a finalized authorization letter?

It should mention the authorities and restrictions of authorities that are granted. A finalized letter should properly be signed by the first party and attested by a witness or notary public. The original copy of the authorization letter is to be handed over to the proxy. A duplicate, however, should be kept by the primary person himself.
