Does Coldwell solar offer solar installation maintenance?

Coldwell Solar is pleased to offer solar installation maintenance for any farmer or processor, commercial business, school or government entity, or large-scale utility solar system that needs it - regardless of who originally installed the solar energy system.

Does Freedom solar offer maintenance & repair services?

Freedom Solar employs a full-time staff of solar experts. If you have a question about your system or need maintenance, request service below! We currently offer Solar Panel Maintenance & Repair Services in the following cities: Austin, Waco, Dallas, Fort Worth, San Antonio, Houston, Tampa, Orlando, Raleigh-Durham, and Charlotte.

Do solar panels need maintenance?

Sometimes owners are advised to do their own periodic maintenance every several months, such as blowing them with a leaf blower, hosing them down, etc. However, since solar panels need relatively little maintenance or cleaning and mistakes can void warranties or cause new damage, we suggest leaving it to the solar experts.

Can solar panels be repaired?

Yes, solar panels can be repaired depending on the type of damage, but it's typically better to replace the damaged panels. Our Service Department can inspect your system to see whether the fix can happen on-site.
