

# Price of pure solar power generation

How much does solar cost per watt?

Most of the time, you'll see solar system costs listed as the cost per watt of solar installed so you can easily compare prices between quotes for different system sizes. The average cost per watt of solar is \$3.00 per watt, but you may get some quotes that are slightly higher or slightly lower than average. Beware of extremely low solar prices.

How much does a solar system cost?

For example, the average cost of a solar system purchased through solar.com is 6-8 cents per kWh, depending on the size of the system, type of equipment, and local incentives. Let's compare that to the average cost of utility electricity in each state. [How Much Does Electricity Cost in 2024?](#)

How much does solar panel maintenance cost?

Solar panel maintenance costs: Solar panels have no moving parts, so very little maintenance is required. However, getting routine professional solar panel cleaning and inspections every two years can keep your system in tip-top shape. These solar maintenance costs can be about \$300 per session.

How much does a solar battery cost?

The cost of solar batteries varies widely based on type and capacity. On average, a residential lithium-ion battery system, including installation, ranges from \$7,000 to \$14,000. While this represents a significant investment, the long-term savings and security benefits can make it worthwhile for many homeowners. [Power Your Home With Solar](#)

How much does solar installation cost?

Installation labor accounts for around 5.5% of the total cost of a residential solar project, according to a 2022 report from the National Renewable Energy Laboratory. That amounts to \$1,375 for a \$25,000 solar project.

How much does a solar loan cost per watt?

Solar loans will increase your price per watt. The average cost for solar panels financed with a solar loan is between \$3.80 and \$4.25 per watt because of financing fees. Don't be surprised when you get a quote that seems high if it includes a solar loan!
