

# Rental income from rooftop photovoltaic solar panels

Should I rent my roof to a solar energy company?

All you have to do is allow them to use your roof -- but for a good cause. You can get paid by renting your roof to a solar energy company and helping create clean energy. Should you do it? That's what a listener of the Clark Howard Podcast recently asked. Should I Rent My Roof To a Solar Company?

Can you get a solar tax credit on a rental property?

Yes. But, if you do a Google search to try to find out if you can get a tax credit for installing solar panels on a rental property, most of the results will say you can't qualify for the residential solar tax credit with a rental property. And in a way, they're correct.

Can you get a tax credit if you install solar panels?

If you install solar panels on your rental property, you can potentially qualify for a tax credit of up to 30% of the cost of the solar installation. That's a tax credit, which means it's not merely reducing your taxable income, instead it can actually reduce the amount of tax you pay by 30% of the cost of the solar installation.

How much does it cost to rent a roof for solar panels?

That's what a Clark listener wanted to know on the April 10 podcast episode. Asked John in California: "I live in Los Angeles. The L.A. department of water and power offers a program where they will pay me up to \$240 per year to rent my roof for solar panels.

How do I calculate the federal solar tax credit for rental properties?

Calculating the Federal Solar Tax Credit for rental properties entails assessing the eligible expenses and applying the credit against tax liability. Identify the total eligible costs associated with the solar installation on the rental property, including equipment and installation costs.

Are solar panels tax deductible in a rental property?

Thus, Sec. 25D does not allow a credit when solar panels are installed for use in a residential rental property the taxpayer owns. In Notice 2013-70, which provides guidance on Sec. 25D, the IRS further clarified this issue.
