

# Solar support manufacturer consultation

Who is solar support?

Solar Support is the specialty engineering solutions firm boldly leading the industry through the next generation of restoration and recovery solutions for aging PV assets. Our community of solar experts are a solutions incubator for some of the most difficult and risky industry-leading projects.

How can a solar consultant help you make a sale?

One way to ensure that the information you are receiving is unbiased is to consult with a solar engineering firm. By talking with a solar consultant who has no ties to sales companies or solar panel manufacturers, you can receive expert advice and feedback that isn't tainted by the pressure to make a sale.
