

Sunpower foldable solar panel

What is a SunPower solar panel?

SunPower's panels are constructed with top-grade, light-weight polymer materials, allowing for easy transport, installation and panel flexing up to 30 degrees. Made with SunPower's highest power Gen II back contact cells, SunPower's flexible panels deliver the highest power output and the highest charging capacity in their product class.

How much does a solar panel weigh?

Dimensions: 45.9 x 21.9 x 0.8 in Portable: By using the top-grade, light-weight polymer materials, this solar panel only weighs 4.4 lbs and can be flexible up to 30 degrees that is easy to carry around and maximize available space for your RV, boat, caravan during camping and trip scenarios.

How much power does a SunPower solar panel provide?

This SunPower flexible solar panel is a small but rugged ultralight panel that bends up to 30 degrees and folds easily for storage. Depending on available sunlight, mine delivered anything between 50 and 100 watts. However, even in the shade, it gave me enough juice to power my 12V fridge.

What is a SunPower flexible panel?

SunPower flexible panels are the #1 choice for customers due to the combination of high power and cell ruggedness. The panel can be installed with adhesives and/or use of stainless steel grommets in the panel. The panels have standard quickconnect cables. An easy-to-follow installation guide is provided with each panel.

What makes SunPower solar panel a good choice?

Top quality: The SunPower Solar Panel is made by highest-efficiency Maxeon Monocrystalline prime solar cells, which can deliver the highest power output and highest capacity by its incomparable/industry--best 22-25% efficiency in this kind of class. Dimensions: 45.9 x 21.9 x 0.8 in

How portable is a solar panel?

Those were rated Poor. How portable a solar panel is depends in large part on its physical size. 400W portable solar panels are a lot harder to lug around than 100W portable solar panels, and they won't fit as easily in your car or on a garage shelf.
