

The balcony locker can rotate

How do you store things on a balcony?

Storage benches are the most common balcony storage solution. In addition to seating, they offer space to store books, outdoor cushions, board games, and other knickknacks. Wall-mounted shelves and storage cabinets are great options for storing small plants, gardening tools, cleaning supplies, and decor items.

How do I Choose balcony storage options?

Although choosing balcony storage options is easy, there are some things worth considering first. These include: Some HOA regulations ban everything but outdoor seating on a balcony. If this is the case, opt for storage that looks like furniture but has a box built in.

How do you lift a hoist from a balcony?

Lift away! Drape the rope over the arm, between the U-bolt and the end flange. Securely attach the hoist's arm to its stem. Swivel out from your balcony, and, making sure no one is below, use the rope to lower down a series of lightweight items before attempting heavier items such as a bicycle.

How do you store shoes on a balcony?

A covered shoe rack is an excellent waterproof balcony storage solution that helps keep your shoes safe and your home tidy. Add a tall, narrow one to the area to fit in a corner or against a wall without taking up too much room. Check out how this mustard shoe rack makes the small balcony come alive! 6. Outdoor Coffee Table

How do you build a swiveling hoist on a balcony?

Carrying groceries up and taking trash down several flights of stairs isn't so much fun either, but you can mitigate these pains by building a swiveling hoist on your balcony. The whole setup costs right around \$50, and takes only a few hours from start to finish. Choose the location. Measure your space. Prepare the pipes. Choose the location.
