

Trinity photovoltaic panels authenticity

Which brand of solar panels does Trinity provide?

In our research, we found that Trinity has provided Qcells solar panels, a well-known, reliable brand of solar panels across the industry. Other major providers, such as Tesla, use Qcells for solar projects. However, the brand of solar panels you receive from Trinity depends on the availability in your area at the time of installation.

Is Trinity Solar a scam?

Trinity Solar is not a scam. However, savings from solar panels depend on your location and how much energy you use. With that in mind, Trinity Solar may not be the right choice for everyone. However, its products and services are not a scam. Trinity Solar offers a 25-year warranty that covers the solar equipment they install.

Is Trinity solar a good solar installer?

Although some customers have had an unpleasant experience with Trinity's customer service, its massive growth over the years and majority of customer reviews suggest that the company's customer service - particularly the customer service manager - is laudable. Trinity Solar is not necessarily identified as an inexpensive solar installer.

What warranties does Trinity solar offer?

Trinity Solar's warranties are relatively basic. The company offers a five-year warranty on workmanship for any solar, roofing or battery backup installations. The company also passes manufacturer warranties onto the customer, which usually covers the products for 25 years, but this depends on the brand and products chosen.

Does Trinity solar offer a roofing service?

Trinity is also set to launch a roofing service in the near future. A typical installation experience with Trinity Solar would look as follows: The first step of going solar with Trinity is an energy consultation. It consists of submitting your address, phone number and electricity bills.

What is a typical installation experience with Trinity solar?

A typical installation experience with Trinity Solar would look as follows: The first step of going solar with Trinity is an energy consultation. It consists of submitting your address, phone number and electricity bills. This is followed by a discussion with a sales rep and an analysis of your bills.
