

What are the photovoltaic panel service providers

Who are the best solar installation companies?

We selected Freedom Solar, Blue Raven Solar, and Palmetto as our top three choices for solar installation companies, with Freedom Solar getting our top vote. See how we compared these companies and other top-rated providers in our review.

What services does a solar service provider offer?

Some solar service providers offer maintenance services such as cleaning panels, inspecting electrical components, checking for potential issues and ensuring the system operates efficiently. They even provide repair services to fix any malfunctioning or damaged components.

How can I choose a solar provider?

To choose the right solar provider for you, compare options from different installers before making your decision. EnergySage Solar Marketplace, with over 450 installers participating nationwide, is the best place to start your search for a solar provider in your area.

How do I choose a solar panel installation company?

Customer ratings and reviews can provide an abundance of insight into how a company and its employees operate, so be sure to seek out highly rated companies. One final way to determine if a solar panel installation company is the right fit is to see what kind of solar equipment it uses.

What is the best solar company for whole-home automation?

Our pick for the best solar company for whole-home automation is Elevation Solar. The company started in 2015 and currently operates in five states. With a score of 4.0 out of five stars and a BBB rating of A+, Elevation Solar offers more services than just solar panel installations. Mobile App? Free Energy Consultation?

Do solar panels need maintenance?

Many companies do offer maintenance plans and repairs, but solar panels need little maintenance, so it's likely not worth spending money on an extra contract with your installer if you own the system. If you lease your system or have a power purchase agreement (PPA), the solar company owns the panels and will maintain them.
