Which solar company offers the best & most expensive solar panels?

After reviewing hundreds of solar panels, we found that SunPower offers the best (and most expensive) solar panels. Choosing the best solar panel can feel overwhelming, but it's easier than you might think. If you select a quality solar installer, in most cases they'll install quality solar panels. Many companies offer great solar panels.

Who are the best solar installation companies?

We selected Freedom Solar, Blue Raven Solar, and Palmetto as our top three choices for solar installation companies, with Freedom Solar getting our top vote. See how we compared these companies and other top-rated providers in our review.

Which solar company should I Choose?

While any of the solar companies that earned a spot on this lineup are good choices for installing solar panels, our top pick, SunPower, ticks all the boxes with its nationwide service area, financing options, and 25-year complete warranty.

Which is the best solar company?

Our top pick for best solar company is Palmetto Solar due to its high-efficiency solar panels, all-inclusive warranty, and positive customer reviews. Switching to solar power can substantially reduce your electricity bills and power grid dependency.
