

# World photovoltaic panel manufacturers

Who is the largest solar panel manufacturer in the world?

Tongwei Solar(TW-Solar) is the largest solar panel manufacturer in the world. TW-Solar shipped a whopping 38.1GW of solar modules in 2022,doubling Trina Solar's shipments and achieving an annual revenue of USD \$20.57 billion (&#163;16.2 billion). In August 2023,Tongwei Group made history as the first solar PV company on the Fortune Global 500 list.

What are the top solar panel manufacturers?

The top global solar panel manufacturers,based on their scale,include companies such as TW-Solar,JA Solar,AIKO,and others - these manufacturers ship a large number of solar products around the world each year.

Who makes solar panels in China?

Aiko Solar- China Aiko Solar is the third-largest solar manufacturer,shipping 30.7 GW of solar panels and cells in 2022. Since its founding in 2022,it's exported over 100 GW of solar products. The Shanghai-based company has over 9,140 employees and a revenue of 35.34 billion CNY (&#163;3.88 billion).

Which companies produce the most solar panels around the world?

Discover which companies are producing the highest number of solar panels around the world. China produces 86% of the world's solar panels each year,according to Germany's Fraunhofer Institute for Solar Energy Systems. In comparison,Europe and North America each produce around 2%.

Where are solar panels made?

With its headquarters in China,TW-Solar is renowned as the largest polycrystalline silicon producer and for its extensive production capacity at 80GWp per year. There are a few solar panel companies in the UK,including England-based UKSOL,GB-Sol in South Wales,and Viridian Solar (who produce roof-integrated solar panels).

Is the solar PV market growing?

The solar PV market has been growingfor the past few years. According to solar PV research company PVinsights,worldwide shipments of solar modules in 2011 was around 25 GW,and the shipment year-over-year growth was around 40%. The top five solar module producers in 2011 were: Suntech,First Solar,Yingli,Trina,and Canadian.
