

Yingli Solar Grid-connected Power Generation Franchise

Who is Yingli Solar?

Playing a Leading Role in Compilation of Photovoltaic Industry Standards. promoting the development and application of clean energy. Yingli Energy Development Co.,Ltd. (Yingli Solar) is a smart PV energy solution provider integrating PV technology R&D, intelligent manufacturing, and development, construction and operation of power plants.

Who is Yingli Energy Technology Group?

Yingli Energy Technology Group is one of the world's leading providers of BIPV products and integrated photovoltaic solutions, which aims to provide clean energy for all and built a Zero-carbon world.

Why should you choose Yingli Solar?

green solar energy through the state-of-the-art technologies. Yingli Solar has always highly valued independent R&D and technological innovation. Playing a Leading Role in Compilation of Photovoltaic Industry Standards. promoting the development and application of clean energy.

Where is Yingli Solar located?

Headquartered in Baoding, Hebei Province, Yingli Solar has many bases in Baoding, Tianjin, Hengshui and other cities. The company boasts over 2 decades of industry experience and a worldwide marketing network.

How many branches does Yingli Solar have?

At present, Yingli Solar has more than 10 branches across the world, including the offices in United States, Spain, Japan and Australia. From May 2003 to July 2019, Yingli Solar has provided photovoltaic products to 132 countries, ranking third among its competitors in terms of the number of customer countries.

What are the key research and development platforms of Yingli group?

State key Research and Development Platforms of Yingli Group -National Key Laboratory of Photovoltaic Materials and Technology -National Key Laboratory of Energy and Photovoltaic Technology -National Technical Standard Innovation Base of Photovoltaic -National Enterprise Technology Center -National Center for International Research

The agreement is for two Japan solar power plants: the first one is called Hayato, which will install more than 52,650 pieces of YL320P-35b multi-crystalline solar panels and has a capacity of ...

Tata Power Solar, leading integrated solar player, offers solar rooftop panel for home at affordable price in India. ... Calculate the power generation and know Your Savings on the electricity bill - ...
