

# Can a storage cabinet be used as a sofa

Can you put shelves behind a couch?

Installing shelves on the wall behind the couch is a fantastic way to make use of the available space and provide a support for some decoration. It is also a very cool idea for something like books because you can easily reach them on the lower shelves while lounging on the couch itself. [via decoholic](#).

Can a sofa be used as a desk?

This sofa setup comes from an AT post on 5 Alternative Uses for a Desk. Any sofa table can be converted into a desk by adding a chair and a task lamp. In Jessica and Alex's home, the space behind the sofa provides room for storage. The credenza also defines the space between their interior columns, creating a sense of balance.

What to put behind a couch?

Decorating behind a couch can add a layer of depth and interest to a room. But don't limit yourself to just a standard sofa table! Here are ways to make use of some extra space with 10 beautiful ideas for what to put behind a couch. Let's talk about sofas! Or rather, the backs of sofas.

How do you keep clutter out of a reclining couch?

Try putting a storage cabinet behind the reclining couch and this is a great way to keep clutter out of the living room. It can also be used to store extra throw blankets and pillows or items like unsightly plugs that usually end up looking messy when left out.

Can a sofa console cabinet be used as a facade?

The normal cabinet doors would be placed like normal, but would be used only as facades since they would be blocked by the couch. For some reason, cabinets 120 cm deep and 40 cm wide are not easily found on the market, so we had to hack the BEST to a sofa console cabinet.

Should you put a bookcase behind a sofa?

Yet another great example of why having a bookcase behind your sofa is one of your best options. The white bookcase provides a great contrast to the black sofa and ceiling, and it also provides tons of storage, which is sometimes really needed. [via homeadore](#).

Create a DIY Console Table For Extra Storage Both Inside And On The End. The repurposed storage unit turned sofa console is actually a genius project, as you can prop and store things on top of it, inside and at the ends of the sofa. [via ...](#)
