Who is the best solar company in 2024?

Here are our top picks for the best and most reputable solar companies in 2024: Solar Energy World is our top pick for solar company, earning 4.2 out of 5 stars, making it the best solar company of 2024.

Who is the best solar installation company?

We picked Tesla Solar as the best solar installation company for availability, with a score of 4.6 out of five stars. The company was established in 2009 and has its products ready for installation at third-party solar companies across the country. Mobile App? Free Energy Consultation? Our pick for best customer satisfaction is Blue Raven Solar.

What is the best solar company for whole-home automation?

Our pick for the best solar company for whole-home automation is Elevation Solar. The company started in 2015 and currently operates in five states. With a score of 4.0 out of five stars and a BBB rating of A+, Elevation Solar offers more services than just solar panel installations. Mobile App? Free Energy Consultation?

Should you choose a TPO or a rooftop solar system?

If you go with a TPO option, ask the solar company how it passes on tax credit and incentive savings to the customer. The value of a rooftop solar system depends, of course, on what you value. If your primary goal is lowering your carbon emissions, do a little research on how clean your grid electricity already is.
