

# Skyfactory 4 Solar Generator

Dynamite generators are really good in sky factory 3 as you have lots of gunpowder early on (not sure if they are called that but they use gunpowder). Solar panels are nice to, I've got a few ...

place mekanism solar generator in the world; place energy extraction cable from cyclic under the solar generator by shift right clicking to the bottom part of the solar generator; see that the ...

My setup is 4 cauldrons on top of magma, with droppers facing down to give them cobblestone fed out of 2 cobblestone generators with a red stone clock to make it work. Then just fluid ...

The 4 gas generators are easily supplied at half (8K rf/t) load per. I tried piping through an Ultimate Cube, but ended up using the Quantum Entangloporter in the center of the power cables instead. I thought maybe sharing this screenshot ...

Hey people, just wondering if anyone has any tips for power generation in sky factory 4. I'm currently running a Simulation chamber, with a Generator that burns coal (integrated dynamics) and an Upgradable ...

So I'm currently playing Skyfactory 4, and I'm having trouble extracting power from Mekanism's Advanced Solar Generator. No matter what I do, I can't seem to extract all of the power it's ...

However, this generator can produce HUGE amounts of energy, depending on what it is burning. Basically, it burns all fuels for 37.5 seconds (750 ticks); fuel items with normally short duration ...

The Advanced Solar Generator is a block added by Mekanism. It produces approximately 120 RF/t during daylight hours. It can be used standalone or as a component in crafting the Solar Evaporation Plant. The Advanced Solar ...

Sky Factory 4 Wireless Energy Transfer . Hiya folks, I am getting to the point where I am hitting a bottleneck for my power transfer with the Parabox using Cyclic Energy Transfer Nodes. I am ...

I have a few auto-clickers placing cobblestone from a tier 5 cobble gen into a cauldron to make lava, then pipe the lava into storage (black hole tank for me) then from the tank to a ...

SkyFactory 4 | What are great sources of FE / RF? I'm looking to create a lot more power, but I don't really know what to use in terms of good RF / FE output Atm I'm using wind turbines, but ...
